# Easywalker

Carry around like a trolly case

All-in-one design

LED advertising roll

Trolley case design, easy to move high mobility

Weight without battery 45kgs

All-in-one design
LED screen
Data cable
Sending card
Power cord

Foldable led screen
360° foldable

Quick installation/ User-friendly

①Pull out the upper pole

②Pick up LED screen

③Hang the screen on the support fram

①　　　　②　　　　③

# Multiple screens to form a bigger screen

Single screen

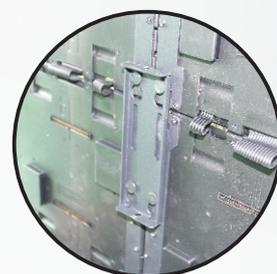

Multiple screen

Arc joing together

Elegant minimalism design, user-friendly

Hang the screen on the support frame

input controller cable

Multiple screens can be easilycombined via connection pieces

Innovative and uinque

Two methods for connecting

❶ Support SD card playback
❷ Support PC sync play

Ultra-slim

Thickness:15-23mm

Model		OM-F-EW-6P-U	OM-F-EW-6P-N
